

Vertical Balers

Multi Chamber

Baler MC4

One baler for all your different materials

Compact different types of recyclable materials at the same time in one baler.

Multiple top-loaded chambers enable easy sorting

With two or more chambers, it is easy to sort different materials at once. The practical press head is easy to move from chamber to chamber.

Highlights

- Ideal for smaller amounts of different waste
- Enables waste sorting directly at the source
- Easily movable press head
- Simple and convenient top loading
- A practical hand cart is included
- Compacted bales measure just 70 x 50 x 70 cm
- Powder Coating provides durable finish in many colors

Optional Extras

Park the press head on a ramp and get unobstructed access to all chambers.

You may choose other RAL colours for your balers.

Get online access to your balers with our monitoring system called BRA-IN.
